

## ***SHARE Network – Michigan***

**SHARE Network** is a unique initiative which partners the state's workforce development system with faith-based organizations.

It features an **Online Resource Directory** Website at [www.michigan.gov/sharenetwork](http://www.michigan.gov/sharenetwork) and the many **SHARE Network Access Points** in faith-based and community organizations, where jobseekers and others can access State of Michigan online job search tools and get referrals to other service providers.

### **Online Resource Directory - Features**

**Workforce development partners • Faith-Based Organizations**

**Community organizations • Non-profit • government agencies**

- Connect to over 10,000 free and low-cost services, including food pantries, mentoring, job services, credit counseling, housing assistance, rehabilitation services, etc.
- Search more than 750 faith-based and community organization service providers by county, city, provider name, or services.
- Create an online referral; and/or print a map to the service provider.

### **Access Points – Features**

- Personal computers & Internet service to access the state's online job search tools, including the Pure Michigan Talent Connect & Michigan Works! Agencies.
- Online assistance with Job Applications, Resume Writing, Interviewing, and Cover Letters.
- Volunteers at over 40 SHARE Network Access Point Centers to assist jobseekers with job search-related activities and referrals to other local service providers.

### **Michigan Works! Agency Partners**

- Calhoun Intermediate School District
- Career Alliance, Inc.
- Detroit Employment Solutions Corporation (DESC)
- Kalamazoo-St. Joseph
- Livingston County
- Macomb-St. Clair
- Ottawa County
- Southeast Michigan Community Alliance (SEMCA) Michigan Works
- Washtenaw County
